Notes

Available in four sizes and in four configurations: single, on line, 3x120° and 4x90°. Its modular shape lends itself to the creation and realisation of customized compositions, supplied as special project. Logico nano track is available with track adapter.

DESCRIPTION

The hand-made blown glass diffuser defines a soft, irregular volume, shaped by curves that generate a game of positives and negatives which make the geometric shape modular and allow the creation of standard compositions or configurations that are free to grow in space with larger custom compositions.
