# Nur Mini LED - Suspension - Anodized aluminum
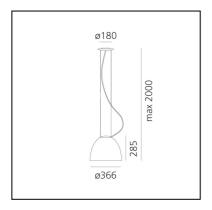

## Ernesto Gismondi

**IP**20  Dimmerable: +◐-

## DESCRIPTION

An extreme geometric synthesis of optics par excellence, Nur manifests its presence through a monolithic and mono-material body. The essential and geometrically calibrated lines of a perfect parabola conceal an optical heart that perfectly controls the emission, without offending direct vision. It ensures general ambient lighting thanks also to indirect emission. Artemide App Compatible.
