

ZENA

Roberto Paoli

The clean silhouette of Zena is the result of a rigorous research of geometrical design that leads to the conception of an essential and powerful artefact featuring significant lighting performances. Zena represents a revolution in the world of wall lamps, a contemporary experiment that transforms the wall lamp from a traditionally static object into a dynamic and sophisticated element, an important synthesis of lightness, power and comfort. Zena features recyclable aluminium extrusions available in matt white and matt black.

LED | 2700K

LAMPING

Source	LED board
Total power	30W
Emission	diffused
Switching	dimnable TRIAC
Tension	230V
Color temperature	2700K
Luminous flux	3000lm
Typ CRI	85
Dimensions	28x8x10,3

Codes

ZEN LW2 31

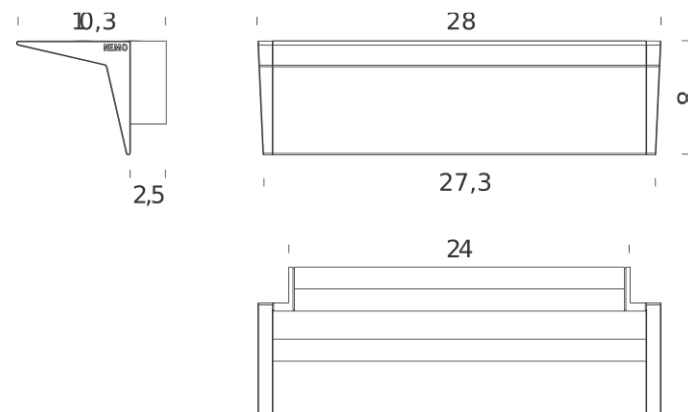

ZEN LN2 31

Structure
