

LOROSAE TABLE

Álvaro Siza

Inspired by a journey Álvaro Siza took to East Timor, a former Portuguese colony in East Asia known as Timor Loro Sae, Lorosae denotes the place where the sun rises. Through the translucent glass in different pure and brilliant finishes, Lorosae battery lamp is a rechargeable, battery-powered design that spreads a diffused light and embodies a direct connection to Timor Loro Sae's culture and geographical identity.

LOROSAE TABLE

LAMPING

Source	LED board
