

Veil Suspension - White

BIG - Bjarke Ingels Group

DESCRIPTION

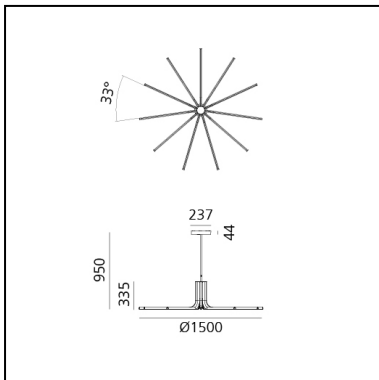

BIG's vision is once again transformed into a product with a pure, essential aesthetic, enriched by cutting-edge technology thanks to Artemide's expertise.

Veil suspension marks the beginning of a family of lighting solutions that share the same clean, minimal design of its light arms. The elegant, fluid curvature showcases outstanding design and manufacturing expertise: with a diameter of just 25 mm, the structure integrates advanced optics that carefully control and softly diffuse light into the space.

The collection expands with floor versions that maintain the same refined elegance and technological innovation.

Available in two configurations—one with a single light arm and another with two—they offer versatile solutions for both residential and professional environments.

IP20  Dimmerable: 

FEATURES

- Product Code: **1558020A**
- Colour: **White**
- Installation: **Suspension**
- Series: **Design Collection**
- design by: **BIG - Bjarke Ingels Group**

DIMENSIONS

- Height: **950 mm**
- Diameter: **1500 mm**

LUMINAIRE

- Watt: **74W**
- Delivered lumen output: **4192lm**
- CCT: **3000K**
- Efficiency: **36%**
- Efficacy: **56.65lm/W**
- CRI: **90**
